Dear Praying Friends and Supporting Churches,

I am glad to report that my mother is doing well since her surgery and stay in the hospital in December. Her recovery has truly been a miracle and certainly an answer to prayer. We are amazed that she is doing so well at ninety one years old. My family appreciates your prayers for her and the many cards you sent. They were a real blessing and encouragement to her.

January have been a good month for attendance with a high attendance of twenty five. Last Sunday we had a young mother visit with her daughter. She said she has been looking a good Bible believing church and said she would back this Sunday.

Calvary Baptist Church in Tremonton continues to look for a pastor since Pastor George died in November. Grace Baptist Church in Logan has been sending one of its men to hold Sunday morning services and one of Calvary's their men is having the evening service. Andy Sanford from our church has been holding Wednesday night services. Please continue to pray for the Paulette George and her family, and the church. We all are praying that God's will be done and they will soon have a good pastor to lead them.

Carolyn and I went to Boise, Idaho last week to be with Doug and Linda Warren. Doug had surgery to remove a cancerous tumor on one of his kidneys. Doug, Linda and their family have been good friends ever since we were in Beaver, Utah. Again we saw the Lord answer pray as the doctors were able to remove a golf ball size tumor from one of his kidney and save the kidney. Please pray for his recovery.

Although we have had some trying times lately we remain encouraged and thankful for God's present and provision for us. Last month someone stole my fishing boat out of my

yard that I had for over thirty years. I still find it hard to believe it is gone. Then, last week the travel trailer we left at our son's home in Windsor, VA caught fire and was totaled. I had insurance on the travel trailer, but not on the boat. What a wonderful thing it is to be able when the difficulties come to have the peace and quiet in your heart. I am writing this because I want everyone to know that this only comes from knowing and serving the Lord Jesus Christ. It is not expandable in human terms, but so real and assuring.

Bible-truth.org continues to grow. During the past twelve months 1,274,489 people visited the site which 6,050,175 hits! In October the site had 170,260 visitors from 215 countries around the world. All I can say is "AMAZING!"

Pray for souls here in Utah.

May the Lord direct each of you as you seek to serve and live for Him. God bless your richly for your prayer and helping us.

*"A Psalm of David. I will praise thee, O LORD, with my whole heart; I will shew forth all thy marvellous works. I will be glad and rejoice in thee: I will sing praise to thy name, O thou most High. . . . And they that know thy name will put their trust in thee: for thou, LORD, hast not forsaken them that seek thee." (Psalms 9:1-2, 10)*
