Pastor Kevin Broyhill
Calvary Baptist Church

King, NC 27201

Dear Pastor Broyhill:

The beginning of the new year is here! As with any previous year, I am sure we will see new blessings and challenges in our ministries in 2012. I pray that you will have a fruitful year in serving our Lord.

I want to ask you to begin praying now for the 2012 Graduation Offering (GO). Last year, the Lord provided just over \$110,000 in the GO. As a result of the help we received from individuals and churches, we were able to keep tuition rates the same and continue providing quality ministry training for our students.

You can help with the 2012 GO by praying and giving. Please pray that the Lord will help me to connect with churches and individuals who have a burden and heart for what we are doing at ABC. I am convinced that I must work harder at finding these folks and building relationships with them. I praise the Lord for some recent contacts that I have made in recent weeks. If you know of churches or individuals that would be interested, please let me know.

In addition, would you pray about how you or your church can help ABC this year in the GO? Our goal is to have \$150,000 by the end of May. This infusion into our general fund will help us battle rising tuition and room and board costs. At our annual meeting in March, we will be receiving pledges from our board members for the 2012 GO.

I look forward to seeing you and sharing with you what God has done at ABC at our annual meeting in March. I pray that 2012 will be your most fruitful year of ministry. What a privilege it is to serve the Lord!

Under His Wings;

Alton Beal
President
