

**THE BROYLES**  
REACHING SOULS IN BRAZIL

April 2010

Dear Friends,

Spring has arrived! We are finally thawing out as we are enjoying the sunny April days. How beautiful are the new flowers sprouting up and the trees full of fresh green foliage! It always reminds us not only of new life in Christ but also of the hope of a marvelous eternity in heaven awaiting us. This was poignantly brought into focus last month as Wendy's brother passed away from this earth and began his life in eternity. We were grateful for his assurance to us that he had placed his faith in Jesus Christ as his Savior. Spring truly was a "new beginning" for Ralph this year.

We are most busy traveling these days. As of January, we have been in at least 21 churches and will be thus engaged all through July. We are so grateful for the kind reception and generosity of each church. It has been a joy to be reunited with family, friends, acquaintances, and making new friends. Again, another reminder of the joy that awaits us when we will reunite with loved ones who have reached heaven before us and are waiting for us there.

Speaking of waiting, we are waiting our return to Brazil which will depend a large degree on the necessary support we must raise. Please pray that God will supply support so we can return to evangelize and disciple those we love.

And speaking of our loved ones in Brazil, we are hearing good reports that the church is doing well and the members are being faithful. Please pray that the Lord will continue to give Pr. Douglas discernment and wisdom in leading IBBJ. Pray that doctrinal purity, and an abiding love for Christ, each other, and the lost, will be the hallmarks of this church.

In God's will, when we return to Brazil it will be "springtime" for us, in the sense that we will be beginning a new congregation. Please pray for prepared "soil"--that hearts would be ready to hear and heed God's word and the Holy Spirit's prompting to receive the Word and have new life in Christ. Pray that God will already be working in the hearts of some Brazilians to join with us in this new endeavor.

May the Lord bless each of you this Spring with the delights of His goodness and beauty that surround us. Thank you for your prayers on our behalf.

In Him,

*Terry and Wendy Broyles*
