January-February 2011

Dear Bro. Broyhill and Calvary Baptist Church:

We greet you in the wonderful name of our Lord Jesus Christ. It is always a great joy to update you on our ministries at Gospel Broadcasting. First, let me say I appreciate every church and individual who supports this ministry. Now, let me give you some great news. On January 26th, the Federal Communications Commission approved a power increase for WCOK Radio in Sparta. We will be going from 800 watts to 1100 watts. We have three years to complete this project. We will have to purchase a different transmitter since the one we have is not capable of the 1100 watts. This could be very expensive. Please, help us pray the direction the Lord would have us to go on purchasing the transmitter. We will continue to update you on this project. We are also working on some things for WYZD Radio in Dobson. I believe, you will see some improvements there also in the next couple of years.

God continues to open doors here in the mountains. As most of you know Kristi and I moved to Alleghany County in November. God has led us to start a Bible study on Tuesday nights. On the first Tuesday, we had thirteen people. The next Tuesday, we had seventeen people with one of the area preachers also attending. This is great. God wants to do a work here. I believe, He wants to send a revival among the mountain people. Please help me pray about this matter also.

December and January proved to be very expensive for our ministry since we had to pay for copyrights on some of the music we play. An additional \$3000 had to be paid this year so we could continue broadcasting on the internet, but I believe that it is worth it. We recently received an email from a man in Russia who found our website. He was listening to the singing and the preaching of the Word of God. Friends, you cannot put a price on a soul. It does cost money to run these ministries, but I continue to believe the God of the people will furnish the necessary finances. I believe, we will see many people be saved and many people be helped for the glory of God.

Our radio broadcasts, The Gospel Pulpit, continue to do great. I hear from people almost every week. It is such a great joy to mail out preaching CDs to individuals and to get the Word of God out to people. Please pray that God continues to use Gospel Broadcasting.

I want to thank our home church, Northwood Baptist Church, Pastor Allen Barker and our church family, for standing behind our ministry. It is a joy to be a part of such a great church.

May God bless each of you.

Your Brother in Christ,

Ricky Cothren
