Dear Supporters and Friends:

Summer is over and our fall is in full swing. We have enjoyed our summer and have many blessings to report to you. God has been so good to us and we praise His Name.

We had a Family and Friend Day at the church we are working with in Steinbach, Manitoba and had over 80 people to come and enjoy a day of games, fellowship, Bar-B-Q, and a time around God's Word. We enjoyed meeting people in the community and building a relationship with them.

Our teens enjoy getting together each month for a time of games and devotions and testimonies. Pray for one of our teen boys, who is a senior in high school, who feels that God wants him in full time service. Pray that he will stay true to God and that he will be a witness at his high school and will encourage the other teens in the church to serve God.

We have had several good visits on our Saturday visitation getting to know people in the community and getting to visit with church family and sharing God's Word with them. We still have several John and Romans to get into homes over the next few weeks in the neighborhood.

We had one young lady saved and baptized this summer and we rejoice in seeing her grow in the Lord. Her whole family came out for her baptism which was a blessing not only for her but for our church family. We have had two to join the church this past month. We have grown from 20 to 45 -50. We have had a high of 50 just last week and we are seeing visitors every week in the services. Keep praying for this ministry as they seek for a pastor.

College has started with several new students and we thank the Lord for such a great spirit that is present. Kathy and I both are teaching this semester. She is teaching a class called The Missionary Wife and I am teaching Psalms and History of Missions. Continue to pray for us as we help to prepare these students for God's will in their lives.

Thank you for your part in our ministry here in Manitoba, Canada. We love each of you and pray for you daily. Thank you for staying faithful to God and for praying for us and supporting us.

Serving Him Until He Returns,

Dave & Kathy
