

Don and Sharon Bright Missionaries to Macedonia

January 7, 2010

Dear Pastor and Brothers and Sisters in Christ,

Greetings from Greenville, South Carolina. Jeremiah 8:22, "Is there no balm in Gilead?" I believe there is a God in Heaven Who is our Great Physician. No one recovers from an illness unless God heals them. Our surgery in October went well, but I am still having pains and cannot walk without a walker or cane. Another MRI is scheduled for January 12th and a follow up appointment with the doctor on January 19th. I also have appointments with the cardiologist this month. I completed a renal scan last Wednesday, December 30th. The results were good. My kidneys are functioning appropriately according to my urologist.

Sharon and I plan to return to Macedonia on or around April 12, 2010. There is much that needs to be done before we leave for the field. We need the healing touch of God upon our lives. We need a laptop computer, \$1692. for coach airplane tickets one way to Skopje, Macedonia. We also need luggage and tracts in Macedonian and Albanian languages. My prayer is that our Lord will heal me so that I can walk for one mile without a walker or cane. Please help me pray for this touch of God in my life. Our heart and life is to return to the field, preach the Gospel of Jesus Christ and start churches.

The "nay-sayers" tell me to give up on Macedonia. But I still believe God and I know there is a balm in Gilead!! I will, by the Grace and Mercy of God, return to the land that He has given me. Our Lord would never send someone into a desert land without hope of Springs of Living Water.

Your prayers and support has sustained us. Praise the Lord for the Family of God!

I spoke with Demir, who is still pastoring the church in his home. The church is now nine (9) years old. Demir still preaches to whomever will listen and even to them who have ears to hear but don't hear. Demir has been faithful to pastor the church. Please continue to pray and support his efforts to get the Gospel into Macedonia.
