"Where the Spirit of the Lord is, there is Liberty"

October 2011

Dear Pastor and Supporters,

Greetings in the name of our Lord and Saviour Jesus Christ, our soon coming King. I trust that you and your family are doing well. My family and I are doing well, by the grace of God. Krystal is back at college and Ricardo Jr. is home working with me in the church and he is also a high school guidance counselor. He works in the church with the youth ministry, the youth choir, the teen Sunday school class and he preaches in church. His desire is to be full-time in Liberty Baptist Church. Please pray for him.

The church is doing well. We had a great summer. Our young people really stepped up to the plate. They did a wonderful job working the various ministries of the church this summer. They conducted a vacation Bible school with young people in the neighborhood and over twenty young people gave their heart to the Lord that week. They were a part of soul winning, singing in the choir, and our young preachers had an opportunity to preach in church. Please pray for them as they are back at college. Also I would like for you to pray for Samantha. She is finished college and started teaching this year. Pray that God would use her in a great and mighty way.

Thank you for prayers in regards to our soul winning marathon, however, we did not go to Andros like we wanted to but we were able to stay in the capital city of Nassau and God really blessed our efforts. We had thirty souls come to the saving knowledge of Jesus Christ. About 80% of our church participated in the soul winning marathon.

Things have been slow, as it is everywhere. We are trying to finish our new church building. We are trusting God to work it out for us as we continue to do our best for the honour and glory of God.

My family and I are truly thankful for the generous support each month. It means a great deal to us and it is a great help to us in meeting financial obligations.

Thank you and may God continue to bless and keep you, and again, thank you for your faithful support and prayers.

God bless,

Pastor Ricardo Lees
