# Thank you for praying!

May-September 2011

Dear Co-Laborers in Christ,

**II Thessalonians 5:17** *"In everything give thanks: for this is the will of God in Christ Jesus."* *"I thank my God upon every remembrance of you."*

**Philippians 1:3**

Thank-you for time and time again coming to our assistance with your prayers and financial gifts. We are blessed to be laborers together with you.

**As a result of your prayers and gifts, we have many blessings to report:**

In May, nineteen moms attended our special Mother's Day Service. Later in the month, we had the privilege of seeing three follow the Lord in Believer's Baptism.

In June, the first year of pre-school came to a close and summer projects began. Carrie kept Pat busy painting, cleaning, sewing, and making new materials for the pre-school while Robert worked to construct a roof for the sandbox.

In July, it became evident that Robert needed to return to the States for medical needs many of which he tried unsuccessfully to resolve here in Grenada. As he prepared to leave, you gave and prayed. During this time, Pat and Carrie had Summer Reading Classes.

In August, Robert arrived in the States and immediately had an unplanned operation. Complications from the surgery sent him to the emergency room, and he was admitted to the hospital for several days. Meanwhile, Pat and Carrie had limited church services, and the children memorized Psalm 139 to earn the school supplies provided by your gifts. In the midst of this, Carrie also finished enrolling eleven students for the second year of pre-school.

In September, Robert returned to Grenada from his medical leave. He will be on medications for several months due to a very aggressive infection. Again we say thank you for all your prayers and financial gifts that helped with all the expenses of this trip.

The time between prayer letters has been too long and we apologize. It is not because we are unthankful but due to the circumstances. We really appreciate your support during this time.

In Christ,

*The Mathena's*
