DEAR FAITHFUL PRAYER WARRIORS IN CHRIST,

Berita and I wish to greet you in Jesus' wonderful name. We are most grateful for our friends, and prayer warriors that intercede for us. We have seen many blessings and victories; but we have also sensed the workings of Satan in trying to hinder the work of God. 1 John 4:4 still rings true..."..greater is He that is in you, than he that is in the world."

Our meetings carried us into WA, MT, WY, KS, NC, GA, FL, OR, and VA. In just a few days I will fly to South Africa for two weeks to help Missionary Richard Badgett. We didn't see anyone saved in our meetings, but a VA pastor called me after his meeting to share of a man being saved the next week after the meeting. Real revival comes when the evangelist is gone, and the Lord continues to do His work. We praise God for this precious soul being saved. Door to door visitation still works.

You will notice some open dates for November and December. Our third grandchild is to be born around the end of November. We are also going to use December to report to some of our supporting churches, and get some much needed rest. 2011 has been a great year with many bountiful, spiritual blessings. We are now praying over 2012 and asking to Lord to continue to prove His faithfulness by opening doors to serve Him!!! Pray for us that we will be made more usual in His sight!

WE LOVE YOU ALL SO MUCH !!!
