

August – September 2011

Dear Pastor Broyhill and Praying Friends,

**Let all those that seek thee rejoice and be glad in thee:
let such as love thy salvation say continually, The LORD be magnified.**

Psalm 40:16 is a theme of these past two months, which can best be described by the word *progress*. The Lord allows us to be a part of different aspects of ministry personally, with FBWWM, and with our home church. Your continued prayers are greatly appreciated.

The Lord blessed us with fruitful meetings in Ohio, Alabama, and Indiana. Children, young people, and adults have responded at the altar as God has spoken to them. Along with more meetings emphasizing missions, we are preaching and teaching more on the subject of revival and personal soul-winning. It is certainly no accident that these two areas are foundational for missions and reaching the entire world for Christ!

Greta spent much time preparing for and teaching VBS. She taught a class as well as challenged the entire group for missions. In addition to her other responsibilities, she has also been busy editing and proofing books and newsletters for FBWWM and preparing missions programs and lessons for upcoming opportunities with ladies and children.

It is a great blessing to serve our Lord in various aspects...and to see *progress* in His work!

Prayer Praises

- Two FBWWM families, the Thompsons to Paraguay and the Lawsons to Washington State, left for their respective fields to begin new church plants!
- Adam and Carol Rich are new applicants to FBWWM serving in Kabwe, Zambia!
- FBWWM Home Office Mortgage is almost paid off!

Prayer Pleas

- Ten new churches scheduled for 2012
- Five churches to add us to their missionary outreach in 2012

Ponderable Point

**Holy living, ceaseless praying, cheerful giving...
this is the open secret of that brotherhood, which fewest in number
and poorest in resources leads the vanguard of missions.**
