

The Prestons

Church Planting in Mt. Pleasant, UT

July/August/September 2011

Dear Praying Friends,

It has finally happened; we have a building – Praise the LORD! We had hoped to have written you the first of the week but we were waiting on the bank to send the signed title deed so that the title company could record it at that the courthouse. We settled on the loan last Friday (9/9) but did not have full closure until today (9/14). With all that has taken place with the pursuit of this building we didn't want to write on Monday saying "we have it" only to have something go haywire and need to write back and say "we don't have it"; but it's a done deal. Now that we have the building there are several things that must be done such as some electrical and stucco work as well as deal with some minor safety items in order to receive a full occupancy permit on the building. We hope to have contractors in place and working on these things by the end of next week, Lord willing. We hope then to be able to occupy the building by the first of the month and no later than the middle of October but that will depend on the speed with which the things mentioned can be completed. Please be in **prayer** with us as we work to get the church moved into its new location.

As those with email know, our trustee Butch had to under go some surgery on his foot do to infection that set in. What began with only having his great toe taken off has resulted in the surgeons removing half of his foot. As you may remember from several years back he had his left leg amputated to just below his knee. The doctors are hopeful with make removing his foot at this point will prevent the need for any future surgery. He came home on Sept. 11th and will go back to have a cast put on Sept. 19th provided the foot is healing properly. Please continue to **pray** for Butch.

Over the last several months we have put out nearly 1500 John and Romans booklets in Mt. Pleasant and Fairview. We have had one couple come a few times as a result of the booklets but like much of what we have done there is little response; please **pray** for Mike and Tamara. Millie met one lady that received the booklet and said she "liked the pocked Bible we left". Please **pray** that we'll see much fruit from our efforts and that the Holy Spirit will be able to work in hearts. We still have about 500 on hand to put but will have to put labels over the current address once we make our move. We will be ordering an additional 2000 and hope to get as many of those out before winter slows us down.

We will be starting our new children's Bible club on Sept. 19th. Millie has Marie and Dianne helping again this year and many of the children that attended last year are excited about coming this year. We have seen several over the past month and all of them have asked, "When is Bible club starting?" That's exciting! Please be in **prayer** that we will double (or more) what came last year. Please be **praying** that we will be able to reach the parents through the kids.

We are truly grateful for the time you take to prayer for us and for the sacrificial giving that is made by each of our supporting churches and individuals so that we can continue bringing the light of God's truth to the many in spiritual darkness. May God's richest blessing be upon you and your labors for Him.

In His Service,

David and Millie Preston
