April 2011

Dear Beloved Friends:

We have been involved in mission conferences and Sunday meetings emphasizing the Jewish people and the nation of Israel during the last three months traveling to seven different states and visiting many churches. Today's current events have opened doors to speak on prophecy and the future of Israel. The United States cannot turn its back on Israel while focusing on freedom for the Middle East. Scripture exhorts us to pray for the peace of Jerusalem.

During a recent meeting in a small rural Tennessee town a man attended one of our three night meetings. He came forward after the service to talk with me. The man said, "I have been baptized twice but was never saved until tonight." He was baptized a week later. What a blessing! Please pray for those who come to our meetings that they will hear of God's saving grace as this man did. We don't always know the number of folks who make a profession of faith after we leave but do know that it will one day be revealed.

This letter was received in today's mail: *"...I wanted to write and thank you for taking time to encourage a young preacher in the ministry. I appreciated deeply your concern for me...I shall never forget your zeal, your love, and your devotion. It's preachers like you that gives young people hope that the work of Christ can still go on. I realize that serving our Lord is going to be challenging in these last days, but I find the fight to be easier when I have people like you on my side showing me the way. So may I encourage you for our Lord's sake and for those following in your foot steps, keep fighting the fight of faith. We need you now more than ever...Please pray for me as I will for you...I love you brother, and I once again appreciate your love for me...Your Brother in Christ..."* It's a privilege to encourage young men and women seeking to serve the Lord and a blessing to hear from them.

We have a special prayer request. There is a situation with the building next to the Home Office. Our property had to be surveyed to bring all our records current. Please pray that the Lord will resolve the issue without further cost to BWMOM.

The BWMOM board meeting will be held this month. Pray that we will have wisdom and discernment in making plans for the ministry.

May God bless you for your faithful prayers and financial support for our ministry and us.

Gratefully serving Messiah,

*Jack & Sandra*
