Dear Supporter,

As we begin this year, we have so much to be thankful for. We are certainly thankful for God's marvelous love and grace upon our lives. We are thankful for His continued blessings upon Return America and all of its accomplishments. We are likewise thankful for each of you and your continued support of Return America. You have enabled us to accomplish some great victories and positioned us to continually do the same as we move forward into this year. We say a sincere "Thank you" for your financial support last year and your continued support in 2012. Without your help, we would be very limited in our ability to move forward.

We would encourage each of you to **remember the May 8<sup>th</sup> primary**. You will be given a chance to vote on the Marriage Amendment which defines marriage as the union of one man and one woman. It is vitally important that you encourage everyone you know to vote on May 8. The opposition will spend thousands of dollars and be very vocal in their determination to defeat the Marriage Amendment. Most of them will turn out at the polls to vote against the Amendment. The only way the Marriage Amendment can be defeated is if Bible-believing Christians stay at home and refuse to vote. The future of our children hangs in the balance with this vote.

Return America will be meeting with pastors and churches across our state to encourage them to encourage their people to get out to the polls. Return America is also asking pastors to hold voter registration drives to assure a maximum vote from their people. In past elections, a large segment of those who hold to Judeo-Christian values have failed to vote. If you need registration forms, they may be obtained at the library and directly from the North Carolina Board of Elections in Raleigh. Return America will also have the forms available if you need them.

Again, we thank you for sharing your burden for America with Return America. We appreciate you so very much!

Sincerely,

A handwritten signature in cursive script that reads "Dr. Ron Baity".
