Dear Calvary Baptist Church,

It has been quite some time since I have been privileged to write the "Thank You" letter for the Ranch. My wife, Thelma, and I have been traveling and representing the ministry in churches since April. We have traveled literally to the North, South, East and West and the Lord has given us great meetings, safety, and spoken to many hearts.

Now, at the conclusion of 2011, we have reflected on what God has done this past year. God has used the ranch for 36 plus years to reach and give second chances to young men. Your prayers and support have made it possible for us to do this and we are ever so grateful. All of the young men went home for Christmas break which gave them opportunity to spend time with family and friends. This gave them the chance to be a real testimony of the Lord's goodness and saving grace. Our prayer is that they would let their lives count for the Lord.

Again, thank you for standing with us in this very important ministry.

Dear Calvary Baptist Church,

I can't begin how to tell you how wonderful God was to this ministry in 2011. A few things that came to my mind as I reflected in the last few days of 2011 to the first couple days of 2012 were the new ladies that God sent us in 2011. We saw several of them trust Christ as their Savior as well as many others whose families are back together again. I also have thought about the large amount of former students who have crossed paths with this ministry this past year. Some of these students have not made the best of decisions, but I am glad that God put us on their heart to call and to write. I am so thankful God keeps His Word as it reads in Jude 22, "And of some have compassion, making a difference." The last thing I thought about was all of the new friends we have made from traveling. It thrills my heart to know that with God and others working with this staff family, lives are being impacted for eternity. Thanks again for allowing Shenandoah Ministries to be a part of your missions outreach.

Give Him the Glory,
