January/ February 2012

Dear Praying Friends,

Greetings in the Precious Name of our Lord and Saviour Jesus Christ. I trust that all is well on the home front. Jayne, the children and I are doing well.

Yesterday (January 1<sup>st</sup>), Pastor Parks baptized four people, three Americans and one German. Praise the Living God! The Lord is still in the soul-saving business. It is a blessing to see them follow the Lord in believer's baptism. The German lady who was baptized was Doris. She was born again nearly two months ago. She was very excited about her baptism and her enthusiasm was a blessing to us as well.

Our son Stephen had to leave college because of some health issues. He is with us in Germany trying to get some medical help. So far we only know what it isn't. Pray that the doctors will find what it is in order that Stephen can get well.

We are looking forward to the year ahead of us as we work together for the furtherance of the Gospel in Germany. We continue to pass out Gospel literature, stuff mail boxes and preach the Glorious Gospel of our Lord and Saviour, Jesus Christ. The Lord continues to send visitors to the church for which we are truly thankful. The Spirit of God continues to convict of sin and of righteousness and of judgment. Lost souls are being saved by the grace of God, the saints are being established in the faith and God the Father, God the Son, and God the Holy Ghost are thereby being glorified. Hallelujah!

Thank you so very much for your faithful prayers and financial support without which we could not continue in this ministry. Thank you for the many Christmas cards and special gifts. May the dear Lord Jesus richly bless you throughout this new year.

Yours for Germany,

*Stephen Strull*
