Serving in Spain

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26:18

Dear Praying Churches Pastors and Friends,

Aug. thru Oct. 2011

We are counting down the days and we have less than two months before we can pack up and head home to Spain. It will be a bitter sweet time as we say goodbye to all of our children this time, leaving them all behind for the first time to return to our church family in Plasencia, Spain.

The past three months have been jam packed with trips. Missions conferences, preaching engagements and even one revival meeting. The months have also been jam packed full of blessings. We are blessed with so many great supporting churches that have made us feel so welcome during our visits.

What a blessing it is to walk into a church where we have not seen the people in years and have someone come up and call us by name and tell us that they have been praying for us.

One of the blessings that is not exactly ministry related was a wedding. Elizabeth, our oldest daughter, married a fine young man, Bryan Foote, on August 13. We are thankful for Bryan and his good testimony. They are residing in Convington, GA. where they are serving God in a sound local church.

As we travel to our supporting churches to report about the work in Spain and challenge them about the great need for more missionaries we are encouraged by those who show a genuine interest. We are rejoicing over the fact that there are three new couples now preparing or starting deputation to head for Spain. Scott & Julie Fulks, Jonathan & Hannah Romaine and Daniel & Kara Darling along with two single lades; Jodi Harrison & Iris Decker who are both currently on deputation. We rejoice for the prospect of new laborers for our corner of the world.

September found me in Iowa visiting three of our supporting churches along with my family. It is always good to go home but home never seems to be like it used to be. I guess that is a good thing because in reality our home is not here on the earth. I fear that sometimes we forget this Bible truth and get caught up in the idea that we are here for a long time. But in reality our stay here is just a moment compared to eternity. We had better be working on laying up treasures in heaven instead of trying to build them up down here in this old sinful world.

More and more it seems like it is about time to hear the trumpet sound and all of these "things" will be left here on the earth for the unsaved to fight over and worry about. Hopefully we have spent more time working on our TIH (treasure in heaven) than our IRA, 401K or whatever else we have that is temporary.

On that note, the love offering for our last meeting will be used toward the purchase of a Spanish pastor's library to ship back to Spain along with some tracts in Spanish. We are also pursuing the possibility of getting tracts printed in Spain through a printing ministry of one of our supporting churches here in the states.

The work in Plasencia continues to go well. We stay in regular contact with our coworkers, Mark and Hillary Stipp, and while revival has not broken out there is still a forward movement of progress in the church there.

Thank you for your prayers, financial support and interest in our ministry.

In His Service,

Tony, Jenny and Josiah Hart
