May - June, 2010

Dear Friends and Prayer Partners,

Many exciting things have occurred since our last letter to you. Mike is making a trip to Paraguay from June 15<sup>th</sup> through July 13<sup>th</sup> with an enormous "to do" list during his time there. He is renewing several documents for our return, hosting a work team from one of our supporting churches, looking for housing, repairing our vehicle which has been in storage, and various other tasks.

The Lord has also blessed us in seeing some increase in our support level along with more scheduled meetings this summer. We are praying that these recent contacts will provide the remainder of the funds in order to return to the field by this fall.

Thank you for your prayers for our boys as they finished the school year and how the Lord provided all of the finances for Nathaniel's first year of college. Our prayer request for a summer job for him was also answered, and we rejoice in how God is working in our family to continually show us His faithfulness to supply every need. We are now in the process of getting the books and supplies they will both need for next year.

Please pray that we will have wisdom in making final decisions on our departure date and all the other moving details that must be settled before that time. Most of the non-essential items have already been packed and placed into storage, and we are frequently checking airline prices to get the best deals when we are able to leave.

We appreciate the phone calls, emails, and cards you send to encourage us. Thank you for your faithfulness to pray for us.

In His Service,

***Mike, Sharon, Nathaniel and Nicolas Thompson***
