Romans 10:13-15

For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

November-December 2011

Dear Praying Friends,

It's hard to believe it's the end of 2011! Our church theme for 2012 is "Becoming a First Century Church." At a time when churches are following new methods and changing their message, we must go back to the Bible and follow the example of the early church.

On Saturday, October 29, we held our 7th Annual Fall Festival at church. This was our biggest year yet with more activities than ever! We had 32 people from the community plus our workers! This year we had a man from our church do a paint/sketch drawing to tell the gospel story. It was a blessing to see the adults and children captivated as the gospel message came alive on the sketch board. The families enjoyed food, games, contests, and lots of fun!

Praise the Lord in November we were able to get a new front door for the church. The old one was peeling and in bad need of replacement. We also finished the outside molding around the windows. Both of these things were a blessing to be able to complete before winter!

We have seen so many prayer requests answered over the past few months within our church family. It has been such a blessing to see our people's faith strengthened and encouraged. Our people have been so faithful to pray, give, witness, and labor for the cause of Christ!

On Thursday, December 1st we drove our church van in the Colfax Christmas parade. Our church people passed out 200 packets with the gospel message! Praise the Lord for the opportunity to be a witness in our community.

On December 9th, we held our first ever Christmas Ladies Meeting with a Cookie Exchange. Our theme verse was "O taste and see that the LORD is good:" (Psalm 34:8a). Mrs. Patty Boyle from Faith Baptist Church in Spokane was our guest speaker. It was exciting to see ladies from the community come to our church for the first time. Our church ladies truly enjoyed it and was happy to be able to serve others in this way.

Please continue to pray for the church purchase situation. The lawyer contacted us before Thanksgiving with the preliminary contract, but we have been waiting for everything to get finalized. We are praying that it will be completed soon and the building will be in the church's name!

We still have our Wednesday night services in Pullman and have recently started a study on the book of Genesis. We have our regular church families attending but also two ladies from Pullman who attend the Bible Study. We also had two college students from Lewiston (33 miles away) drive up recently for the Bible Study. We are praying that this Bible Study will reach more people in this area.

On December 21st, we celebrated our 9th wedding anniversary! The Lord has truly blessed our family. We are so thankful to be serving the Lord in Washington State. We are so thankful to have two healthy children. We are so thankful to all of our faithful partners in prayer and financially. We could not do this ministry without you. Thank you so much to all of the churches who sent Christmas cards and special Christmas gifts. It was such a blessing! We appreciate you all so very much. Our prayer is that the Lord would truly bless you all in the New Year.
